

BIO REVITALISING CREAM WITH OLIVE OIL – DAY

Benefits: Night cream for all skin types, especially atopic and very dry skin. Especially designed to boost our skin's repair and regeneration processes, stimulating its metabolism and improving microcirculation.

It has a soothing effect, which during the night, helps to reduce the irritation of the most sensitive areas.

Main active ingredients: Olive oil, ginger, green tea, chamomile, lavender hydrate, glycerin, corn extract, Phytoescualene, Grape Oil, Acacia Wax.

Olive oil: Excellent antioxidant, slows down skin aging.

An excellent vitamin complex for moisturising the skin, it contains vitamins A and E, essential for keeping the skin elastic and young, but it is also a source of vitamin D and K, the latter used in cosmetics to treat dark circles under the eyes.

Ginger:

- Slows down aging: Ginger contains gingerol, an antioxidant that protects your skin from free radical damage and prevents accelerated collagen degradation.
- It reduces inflammation.

Green tea:

- Prevents skin cancer.
- Rejuvenates skin cells.
- Helps to reduce skin inflammation.
- Improves psoriasis and dandruff.
- It helps to fight acne and pimples.
- Protects against the sun's rays.
- Improves skin hydration, firmness and elasticity.

Chamomile

It has antiseptic and anti-inflammatory properties.
